

## Engage

### A BlackFin Group Training Program

Training, the critical, and indispensable task your business needs to thrive in today's marketplace. It affects the overall performance and effectiveness of an organization, builds new employee skills, sharpens existing ones, enhances productivity, and increases employee retention.

**Delivered by credentialed ATD Master Trainers, training sessions with the BlackFin Group are designed to achieve exactly these things and unleashing the full potential of your organization.**

### Break the screen-gridlock and position your firm to achieve more.

BlackFin Groups Engage training centers around the increasingly critical, but often overlooked, non-verbal aspects of communication in today's world. With a focus on the subtle aspects of the art of non-verbal communication, this class will potentially redefine how one conducts themselves in today's marketplace and equip oneself to increase your effectiveness in the workplace.

**Base Offering: 1 Day**

#### Objectives/Takeaways

- The differences between verbal and non-verbal communication.
- The importance of non-verbal communication in today's world.
- What is the impact of screens in today's workplace.
- Identifying screen gridlock, and techniques for addressing it in your company.

#### Who Will Benefit

- Managers
- HR Teams
- Executives
- Leaders
